Date: December 14, 2015

NOTICE OF A DRAFT AIR CONSTRUCTION PERMIT

SOUTH CAROLINA ELECTRIC & GAS COMPANY – A.M. WILLIAMS STATION
2242 BUSHY PARK ROAD
GOOSE CREEK, SOUTH CAROLINA
(BERKELEY COUNTY/LOW COUNTRY-CHARLESTON EQC OFFICE)
AIR PERMIT NO. 0420-0006-CL

South Carolina Electric & Gas Company (SCE&G) – A.M. Williams Station has applied to the SC DHEC for an air construction permit to establish federally enforceable limits on existing equipment. A draft permit and Statement of Basis have been written by the BAQ outlining this proposed project and applicable regulations. This permit will enable the facility to construct and operate in compliance with state and federal air quality regulations. The draft permit has not yet been approved and is open to comment from the public and the United States Environmental Protection Agency (EPA).

SCE&G – A.M. Williams Station is an electric utilities steam generating plant. The facility is requesting to take a federally enforceable average annual capacity factor limit of 10 percent on two (2) existing fuel-oil fired auxiliary boilers each, in addition to a federally enforceable sulfur content limit of 0.0015 percent by weight for No. 2 fuel oil burned in facility equipment. If approved, this project will meet the National Emissions Standards for Hazardous Air Pollutants (NESHAP) 40 CFR 63, Subpart DDDDD definition of a limited use boiler. This construction permit will be incorporated into the existing Title V permit with no additional public comment period, provided all public participation and EPA requirements were fulfilled with notice of the construction permit action.

Interested persons may review the materials drafted and maintained by DHEC for this facility and submit written comments on the draft permit by the close of business, which is 5:00 p.m., on January 12, 2016, to David Meekins at the above DHEC address or by e-mail at meekindr@dhec.sc.gov. All comments received by 5:00 p.m., on January 12, 2016, will be considered when making a decision to approve, disapprove, or modify the draft permit. Where there is a significant amount of public interest, DHEC may hold a public hearing to receive additional comments. Public hearing requests should be made in writing to David Meekins at the above DHEC address or by e-mail. If a public hearing is requested and scheduled, notice will be given thirty (30) days in advance. If you have questions concerning the draft permit, please contact Shelia Watts at the phone number listed above. A final review request (appeal) may be filed after a permit decision has been made. Information regarding final review procedures is available from DHEC's legal office at the above address or by calling (803) 898-3350. Information relative to the draft permit will be made available for review through, January 12, 2016, at the DHEC Columbia Office listed above and at the following location:

SC DHEC, Low Country – Charleston Office, 1362 McMillian Avenue, Charleston, SC 29405 at (843) 953-0150

Information on permit decisions and hearing procedures is available by contacting DHEC at either address listed above. Copies of a draft permit or other related documents may be requested in writing at a \$.25 per page charge. Please bring this notice to the attention of persons you know will be interested in this matter.

This public notice, along with the draft permit and Statement of Basis, may be viewed through January 12, 2016 on DHEC's website at: <http://www.scdhec.gov/PublicNotices/>
